

# **CLEAVER**

THICKENED OVEN & GRILL FOAM CLEANER

### **Product Properties**

COLOR: Clear Amber ODOR: Mild Lemon VISCOSITY: 375 cps pH: 13 SPECIFIC GRAVITY: 1.08 FLASH POINT: None FOAMING: High DETERGENCY: Excellent

# Description

This ready-to-use oven and grill cleaner contains strong alkali, detergent builders and surfactants to penetrate, emulsify and saponify soil, food, grease and carbon deposits. Its performance is enhanced by thickening agents which allow it to be sprayed through a conventional trigger sprayer, yet enhance its "hang time" on soiled surfaces, chemically "scrubbing" them clean.

### Features...Benefits

Ready-to-Use	Convenient
Non-Fuming	Pleasant to Use
High Foam	Improved Performance
Free Rinsing	Labor Saving
Versatile	Ease of Use

# **Directions**

FOR OVENS & GRILLS: Using foamer/sprayer, apply product to warm surface. Allow to remain for 15 minutes, wipe off and thoroughly rinse with water. For heavy build-up, scraping and additional application may be required. Always rinse food contact surfaces thoroughly with water before reuse.

# **Safety Information**

KEEP OUT OF REACH OF CHILDREN

DANGER: Causes severe burns to eyes and skin. Harmful or fatal if swallowed. Avoid contact with skin, eyes or clothing. In case of contact with skin, flush area with plenty of water, wash with vinegar and seek medical attention if irritation persists. In case of contact with eyes, flush with running water for 15 minutes and seek medical attention immediately.
